# GUEST SPEAKER

eS4W economist in residence

Stephen Koukoulas

Presents eS4W's White Paper

[Defining the concept of economic security for all women](#)

**Policy recommendations to boost women's  
economic security**

*“Australian women of culturally and linguistically diverse backgrounds face a range of specific challenges which often impact negatively on their economic and financial security. These challenges are over and above the other issues women in Australia face in terms of economic security.”*

RSVP by 6<sup>th</sup> February 2019 to Nicole Williams
